Gene – Leslie,

I wanted to thank you both for coming in today. Was really great to meet you and I know that we have some immediate synergies.

1. School add-on with what ISIS has to offer for: (I have included our Program Manager)
 - a. Security Efficiency Assessments and
 - b. Active Shooter Training
2. Intel for Iraq to present to Congressman Mike Rogers; finally
3. DHS Project in El Paso

I have included a couple of reading material for you to talk about ISIS. Both for reading and dissemination to whom you deem necessary for. Look forward to our next meeting.

Leslie,

Here is a redline with my suggested changes, which should be non-controversial.

Please let me know if you have any questions.
